

Be-Thin™

Sublingual Lipotropic Spray

Be-Thin Sublingual Lipotropic Spray is an all natural way to lose weight and to maintain a healthy body weight. Be-Thin is composed of essential nutrient groups that increase metabolism and accelerate fat burning.

Be-Thin is a patent pending blend of Vitamins, Amino Acids, Lipotropics, and fat burning fruit extracts.

When applied under the tongue, the small particle size is rapidly absorbed via the sublingual process. The pH is optimized to the level scientifically proven to increase sublingual absorption.

Highly Absorbed Lipotropic Actives and Fat Burning Acetyl L-Carnitine

Biological effects of Be-Thin™

- Increases metabolism to burn fat*
- Accelerates oxidation of fats for ATP creation*
- Promotes lean muscle mass*
- Increases energy and endurance*
